► Chain Link Gate Latches

AQUALATCH™

The MAGNETIC Gate Safety Lock with **SAFE-ALERT™**

MILLION CYCLE Warranty!

Enhanced Knob Design

Flush Surface Connections
No more overlapping sections on the housing

45 Degree Key Hole Angle
Allows easy access to the key hole

*Patent Pending

20" Height

10" Height

2" Vertical Adjustment

1-1/2" Horizontal Adjustment

SAFE-ALERT™

The AquaLatch is the only pool latch with Safe-Alert!
A visible red alert area under the release knob appears any time the latch is not engaged.

Heavy Duty Screw Thread for easy adjustment

Leveling Keeper
Multi-directional leveling capabilities for gates installed out of plumb

Thru-Hole in Keeper
New pass-through design eliminates water retention in keeper

Handle Option*
Ideal for taller gates

AQUALATCH™...magnetic closing power, easy installation and guaranteed to last!

- Heavy duty construction
- Beautiful, modern design
- Multi-directional leveling for misaligned gates
- Excellent horizontal and vertical adjustability
- Fits right or left handed gates
- Industry-BEST Warranty

*Please check local pool codes prior to use.
